

# Attention! international recruits in Adult Social Care

## Have you accessed your **FREE** training and resources yet?

International Recruitment East is a programme of **FREE** training and resources to help international recruits in Adult Social Care in the East of England.

There are webinars and resources available on topics including:

- Understanding and adapting to British culture
- Ethical international recruitment and why it matters to you
- UK driving adaptation lessons, and passing your Driving Theory test
- UK law and regulations that affect you: including rental law, safeguarding of children, employee rights, and domestic abuse

Don't miss out. To find out more and to book your free places scan the QR code, or email:
