

Social Value Reporting Schedule 2022-2023

Social Value Quarterly Reporting Survey

Social Value matters to ECC. It ensures that collaboratively we make every pound work harder for our communities. As part of our wider contract management, we monitor the delivery of the social value commitments. We do this quarterly using a survey tool which corresponds to the ECC 'Themes, Outcome and Measures' in the [ECC TOMs Calculator](#).

Contractors are required to complete the survey every quarter to report on the social value delivered during the previous quarter. Deadlines for each quarterly submission are listed below.
