Event information for Essex

Ford RideLondon-Essex, the world's greatest festival of cycling, returns on Sunday 28 May 2023.

To make the event safe and memorable for all, road closures will be required in some areas of Essex and London. This leaflet is designed to help you plan any journeys you may need to make. Further information is available online at ridelondon.co.uk/community-info

About Ford RideLondon-Essex

Around 25,000 riders will start in central London and travel through Essex towns, villages and countryside

before returning to the capital on 60-mile and 100-mile routes.

Working in partnership, Essex County Council and event organisers London Marathon Events are engaging with residents, communities, businesses and partners to ensure the event builds on the success of last year.

The 2023 Ford RideLondon-Essex event will follow the same route as 2022 – see the map on pages 4 and 5 – but we've made improvements based on extensive feedback we've received from residents, businesses and communities.

Emergency services

Emergencies will be treated as a priority in the usual way. If you require the emergency services, call 999. Emergency vehicle access will be maintained and prioritised throughout the Ford RideLondon-Essex event.

Showcasing Essex

Ford RideLondon-Essex is showcasing the county on an international level, increasing tourism opportunities, inspiring thousands of people to be active and raising millions of pounds for charity.

Charity

Participants have raised more than £80 million for charity at the event since it was first held in 2013 and, with your support, we hope to raise even more in 2023.

£1 million funding for Essex

The London Marathon Charitable Trust (the parent charity of Ford RideLondon-Essex organisers London Marathon Events) has granted Active Essex £1 million to inspire more people to be active.

Any organisation from Essex, Southend, or Thurrock can apply to Active Essex for up to £3,000 to start new activities or extend existing projects. For more information, please visit activeessex.org/find-your-active/fund

There will be significant delays to road journeys in this area on Sunday 28 May. The times on the map indicate the road closures per section. For more detailed information see the road closure timetables on pages 8 and 9 to help plan journeys in advance.

Planning your journeys

Road closures will be required in some areas of Essex on Sunday 28 May, which may cause significant delays to road journeys.

Please read the information provided in this leaflet and online so that you can, wherever possible, plan your journeys and any deliveries in advance.

Local access plans

In addition to this leaflet, we've produced local access plans for several towns and villages on the Ford RideLondon-Essex route. The plans provide specific access information for residents and

businesses to plan essential journeys during the road closures.

Please see the map on pages 4 and 5 for information about which areas have a local access plan and view them online at ridelondon.co.uk/community-info

Vehicle crossing points

There will be approximately 30 vehicle crossing points available on the Ford RideLondon-Essex route on Sunday 28 May. Details of the vehicle crossing points in your area are available in the local access plans and the full list with a map is available at ridelondon.co.uk/community-info

Safety and security

The safety of all our riders, spectators and volunteers is of paramount importance to us.

We are working closely with Essex Police, the Metropolitan Police, City of London Police and other organisations to ensure we have a range of measures in place to help keep everyone safe and secure.

These include our trained security personnel, security systems and processes such as accreditation checks and security patrols. For more information, please visit essex.police.uk/advice/ and click on 'Watch schemes and initiatives' and then 'Project Servator'.

Open as usual

The M11, M25, A12, A120, A130 and A131 are open as usual in Essex on Sunday 28 May.

Closure of cross-county roads

The part-closure of three cross-county roads – the A414, A1060 and Essex Regiment Way (B1008) – will be required on Sunday 28 May. Full details are provided below to help you plan your journeys.

A414

The A414 will be closed between junction seven of the M11 to the A414 London Road in Chelmsford from 05:00 to 17:00 on Sunday 28 May.

A1060

On Sunday 28 May, the A1060 will be closed in both directions at Leaden Roding and between Writtle and Chelmsford from 07:00.

The A1060 will reopen at Leaden Roding only, in a westbound direction, at 13:30 for access towards Hatfield Heath and the M11. The A1060 will fully reopen at 15:30.

B1008 – Essex Regiment Way

B1008 – Essex Regiment Way will be closed between the A131 and Ford End from 07:30 to 14:45 on Sunday 28 May.

Travel to London

Please note that there will be significant closures in central and east London, including the A12, which

Stansted Airport

Access to and from

Stansted Airport is not directly affected.

However, please plan your journey and consider using the M11, M25, A12, A130, and A131 to access the A120.

will be closed between the A406 and the A11.

Public transport

There may be some planned engineering works taking place on the Greater Anglia rail network on the event weekend. For more details, please visit

greateranglia.co.uk/travel-information/service-alterations

Due to event road closures, some bus services will need to be diverted, suspended or terminated earlier than usual. Some stops may also be temporarily relocated.

Creamfields South Festival

Creamfields South Festival takes place in Hylands Park, Chelmsford, from Friday 26 to Sunday 28 May 2023. For more information, please visit creamfieldssouth.com/travel

For up-to-date bus travel information visit essexhighways.org/getting-around/bus

During the event

Stewards and volunteers will be available to provide assistance during the event and to help you cross the route wherever possible. If you require assistance that is not a 999 emergency during the event, please ask event staff.

Pedestrian crossing points

Pedestrian crossing points are located along the event route. These will be supervised to help pedestrians cross the road.

Usual crossings may be suspended, but an alternative will be available where it will be easier to cross. Please be patient during the event and listen to stewards' instructions.

Pavements

Pavements along the route are accessible to members of the public throughout the event.
