What do we do?

The integrated care team ensures patients over the age of 18 with complex health and social care needs receive the right care, in the right place and at the right time.

The team works with health and social care providers to co-ordinate and offer multi-disciplinary quality care.

Provide integrated care is divided into three areas,
Braintree, Chelmsford and Maldon.

Services we deliver

- Peg Feeds and flushes.
- Wound care
- End of life care
- Catheter management
- Management of injectable medications.
- Assessments for pressure relieving equipment

Care we cannot support

- Diabetes management.
- Stoma care
- Oral medication support
- Long term eye drops and pessaries
- Application of creams.
- Changing of leg bags
- Personal care

Referrals

For all referrals please contact the
Care Coordination Centre (CCC) on
