The ICE Sharing Day is an annual event which brings together 150+ families and professionals from all over Essex and beyond. They come with a shared goal – to meet new people and share ideas that will help improve the life of someone they care for.

Our award-winning website is an excellent resource for many communication needs. As well as the full AAC catalogue you will find links to video clips that demonstrate how to use our resources. You will also find useful information about templates, One Page Profiles, EasyRead and access to the Pictosymbols 3 symbol set. With more than 100 signing videos you are carrying a true communication aid in your pocket. For more information about what ICE can offer visit the website at:
