Keeping Together is Progress - Ways of Working

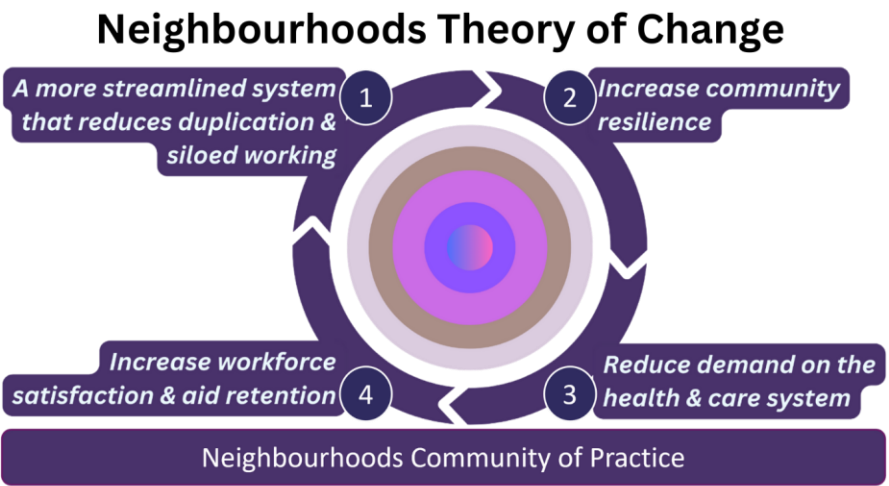

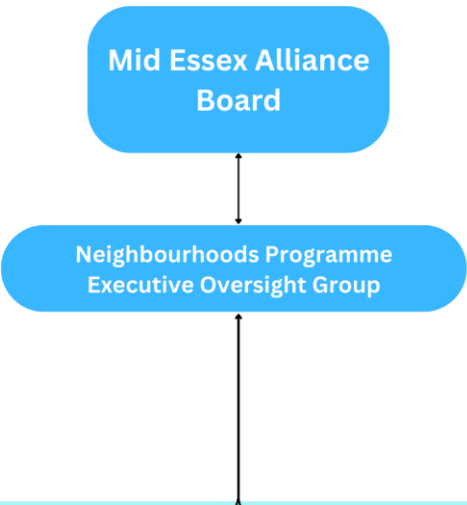

Mid Essex Neighbourhoods Governance Model draft

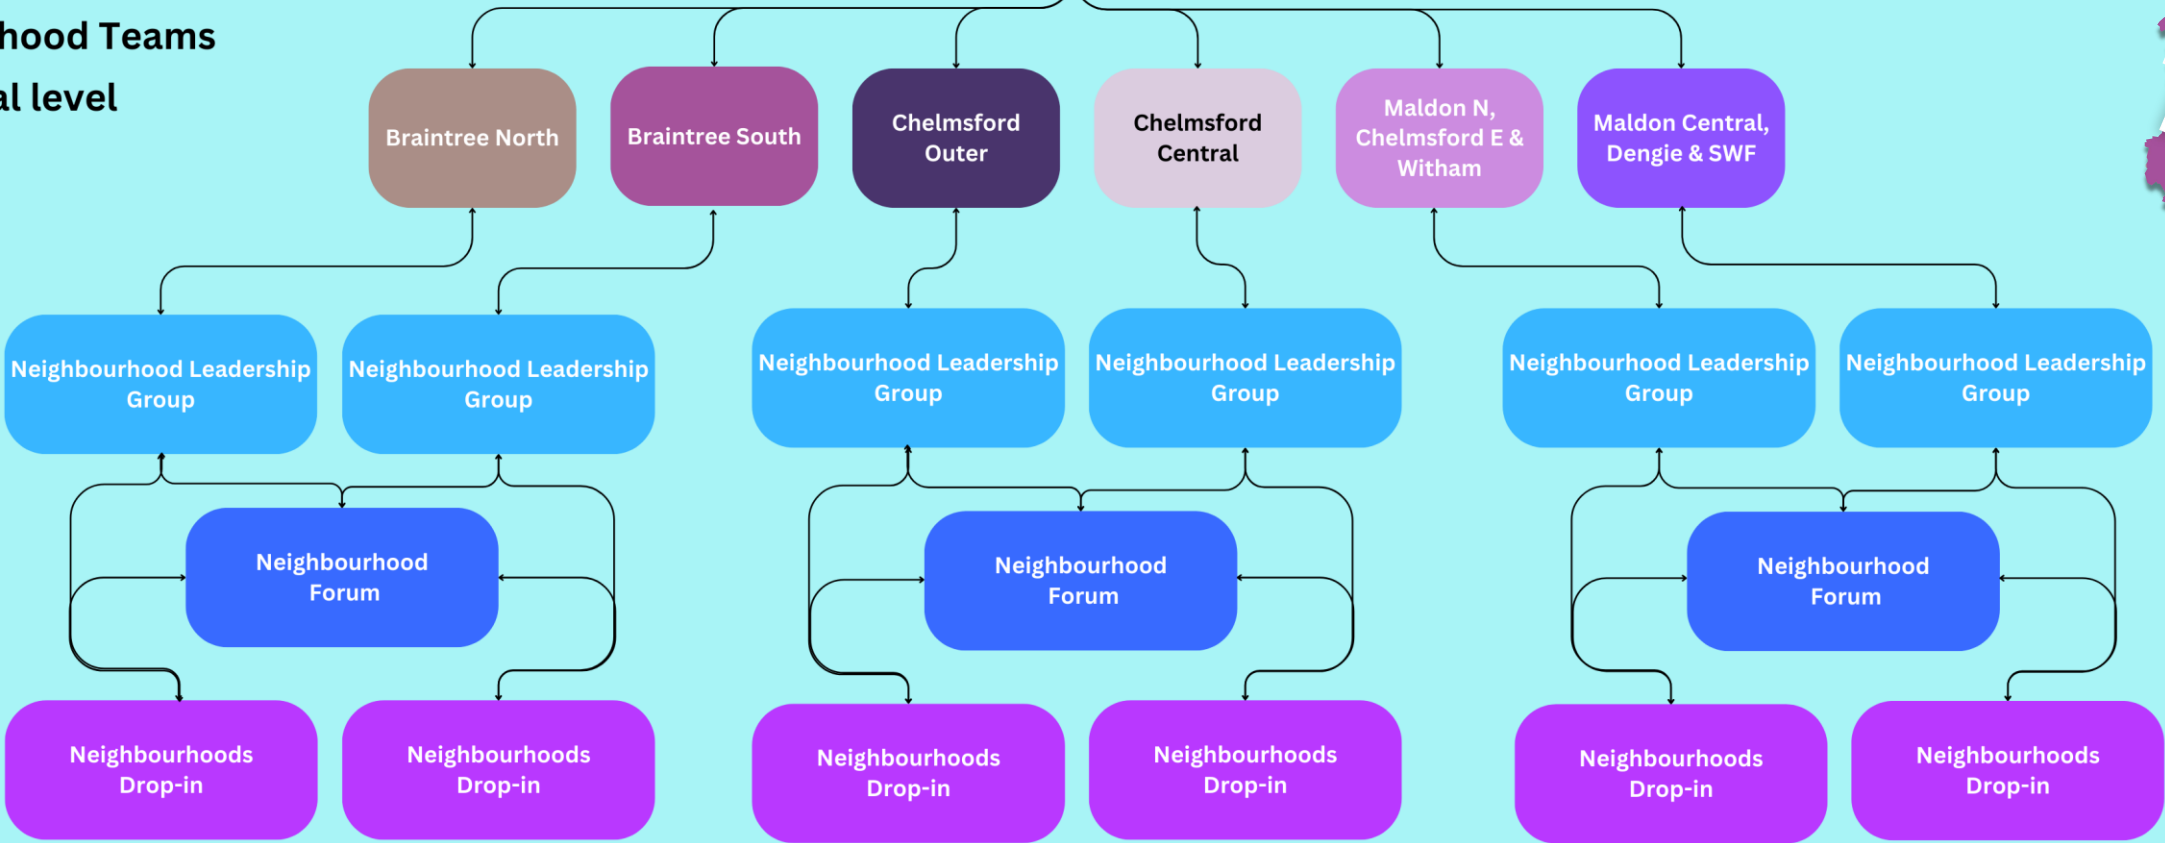

Neighbourhood Working brings together local representatives from across health & social care providers & voluntary organisations around communities, to improve the health and wellbeing of residents.

By being part of your neighbourhood **Community of Practice**, you benefit from access to a broad range of expertise, support and improved inter-organisational relationships.

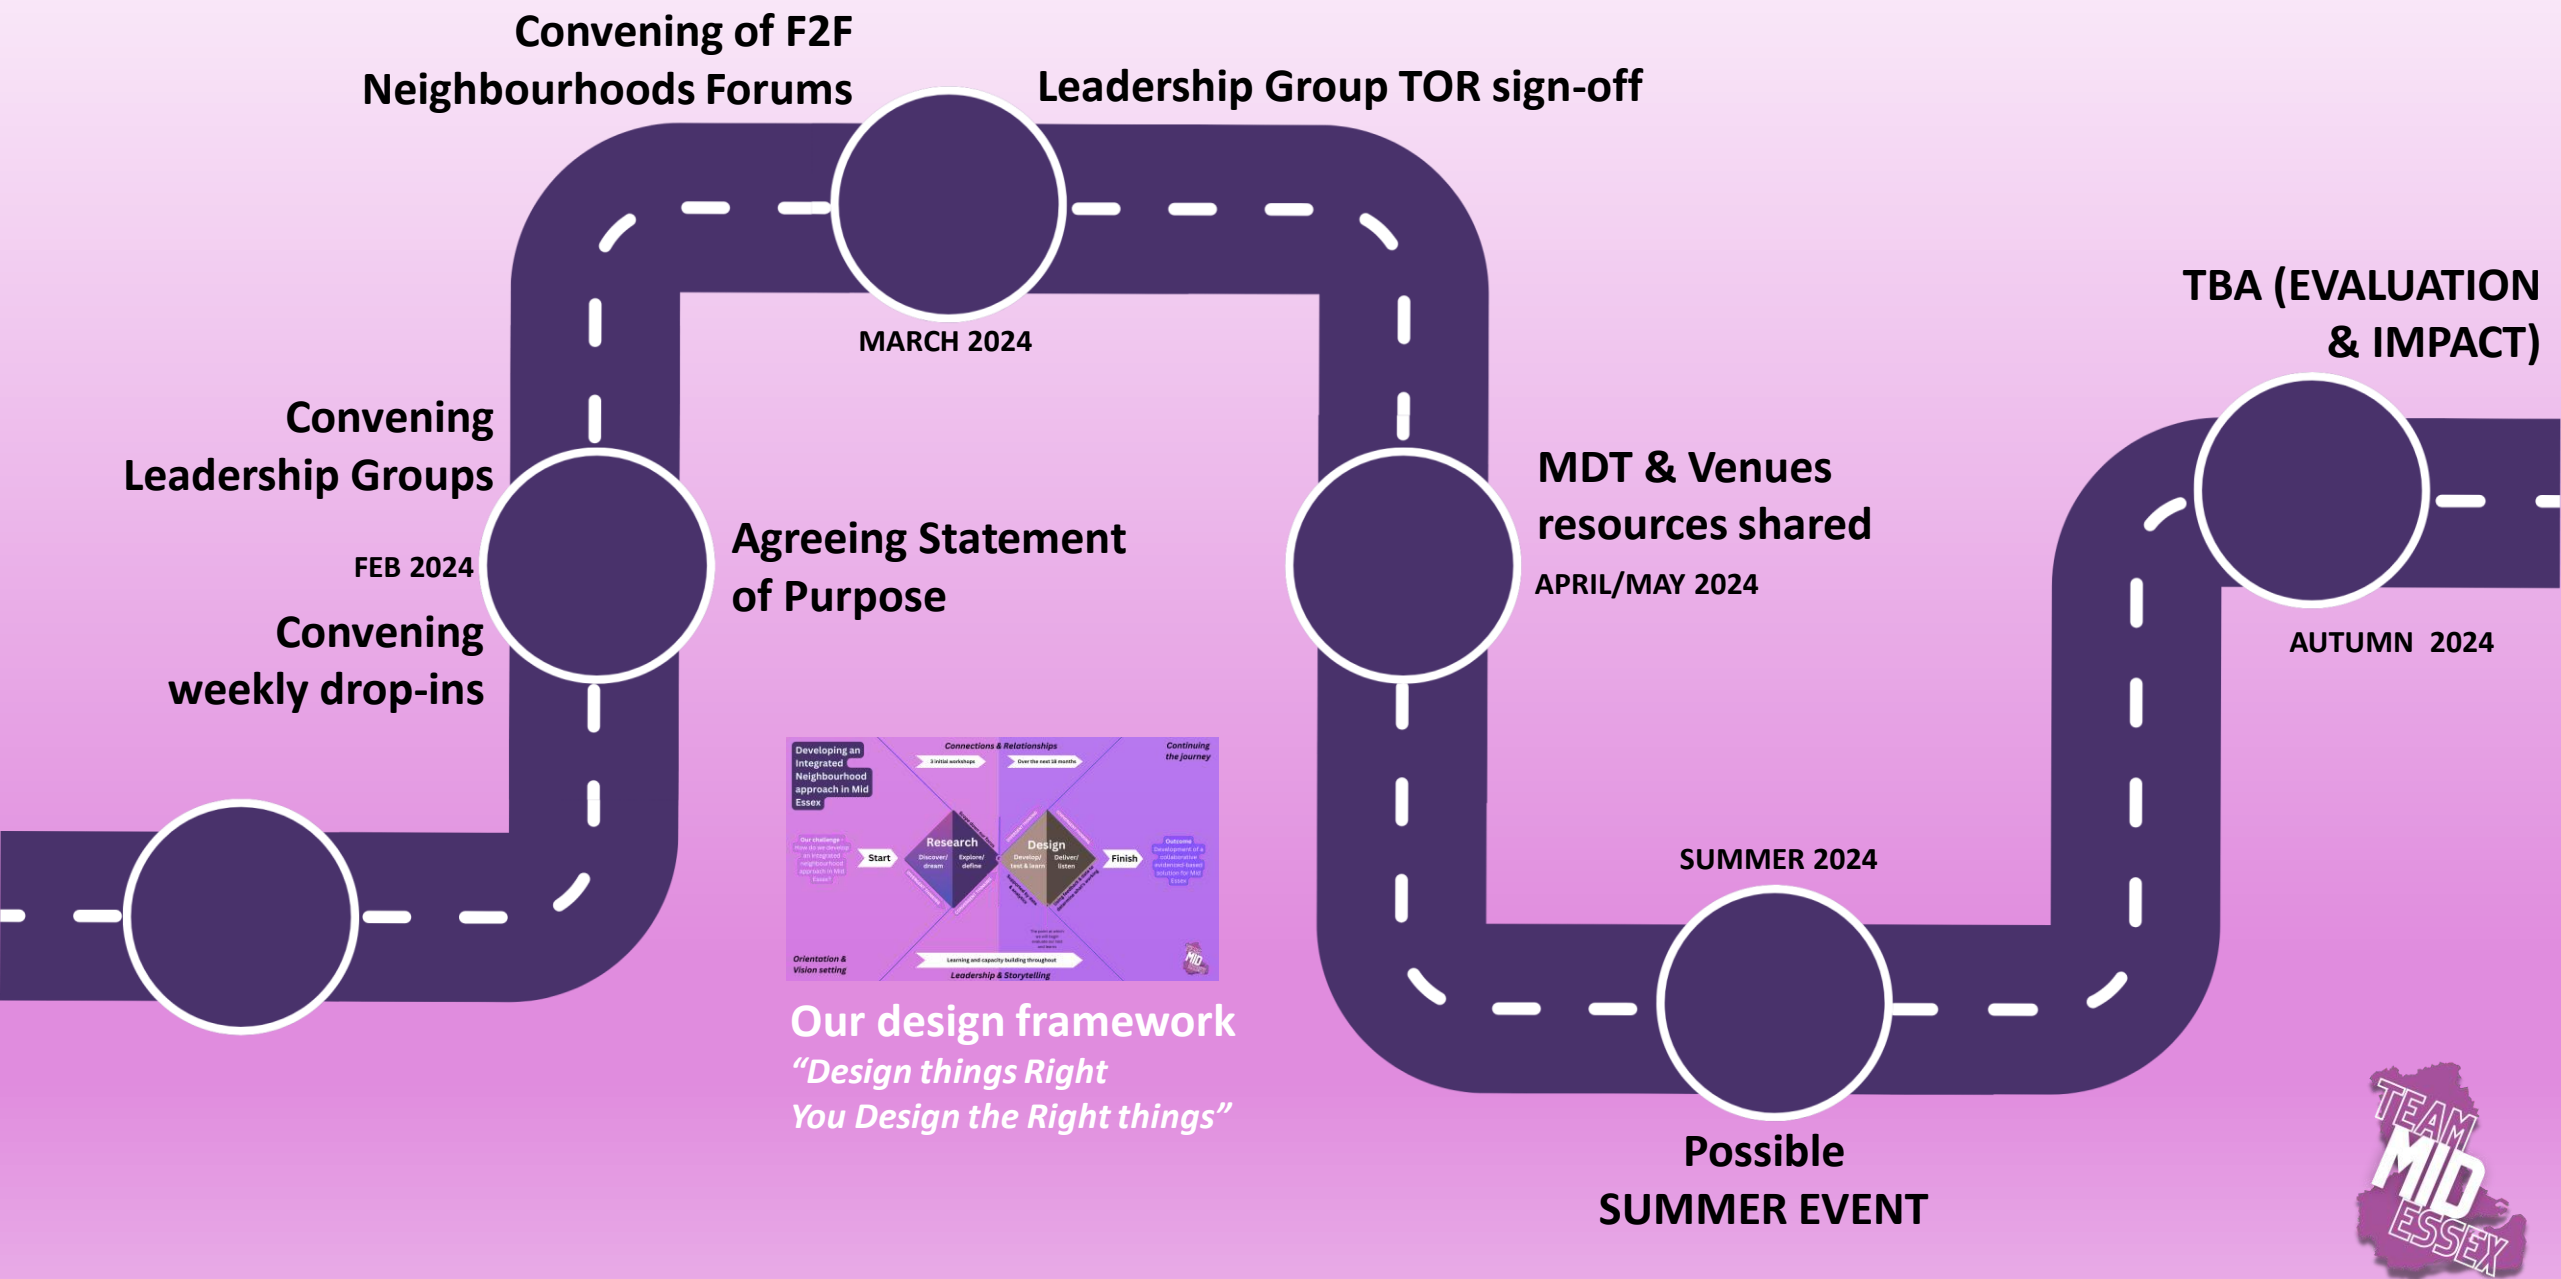

From this foundation, we create the conditions where we can begin to address our **Theory of Change** for neighbourhood working:
