

LEARN HOW TO SUPPORT STUDENT NURSES IN YOUR
ORGANISATION

RECEIVE FREE TRAINING AND HOST A STUDENT NURSE

- ✓ £1000 INCENTIVE PAYMENT FOR TAKING PART*
- ✓ FREE TRAINING TO UPSKILL YOUR STAFF
- ✓ FULLY SUPPORTED

This project will help nurses working in social care to become assessors and supervisors to host student nurses (in line with the latest NMC standards).

We are looking for social care settings, with registered nurses to host students, 3 days a week in January and February 2026 (min. 1 week, max. 6 weeks*)

A team of experienced nurse educators will be on hand to fully support both the nurses and the students during the placement.
