

Feedback from previous forum:

More time for discussions:
opportunities to talk with other providers and professionals and “airing issues”.

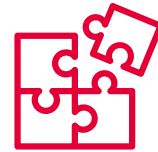

Introductions:
“for new people who know who is here”

Case Studies:
“good examples and worse case scenario”

“Unsafe discharges”

Specific topics for specialist services

We’d really welcome more care home–specific topics, especially those tailored to Learning Disabilities and Autism (LD&A).

Feedback – opportunities to feedback on experience working with local authority and health.
