Overview

In July 2021, Mid Adult Social Care teams were aligned to PCN footprints as part of the Connect Programme and defined by the Mid Essex Health and Wellbeing Alliance.

Caseloads are now aligned to the neighbourhoods and activity is sorted and allocated to teams wrapped around the PCN boundaries, with resource flexing to meet any local increases in demand across areas.

The neighbourhood teams are responsible for undertaking Care Act assessments, planned and unplanned reviews, support for carers, safeguarding, MCAs, best interest decisions and DSTs.

Please continue to use existing referral pathways into Adult Social Care (ASC) as our process for referral via the Adult Social Care Connect remains business as usual.
