Recap from the last forum (March 2025)

Topics covered

**Safeguarding adults
review**

**Day service
opportunities- hearing
from Badgers Den**

Dementia champions

Table- top exercise-

**1- How do we work
more closely with our
VCFS partners?**

**2- How could local
provider forums be
improved?**

How could local provider forums be improved?

Focus sessions, workshops. Using people specialism to host workshops

More on practice, good news stories

Reflection time; it is hard to get away from the day job

More CQC involvement

Wider provision of stalls

Finding out about other services

Hearing guest speakers from a provider provision

More support for providers caring for people with complex dementia

Time to talk, to build relationships

Focus on.. Working closer with VCSF partners

Avoid duplication.
Secure appropriate
funding. Be specific
with delivery

Think about ways of
pushing information
out to providers that
need it

Better networking
opportunities

Sharing contacts:
Facebook, reviews,
events, stalls

More advertising of
free services

Identifying those that
could benefit from
buddy services

Need more
intergenerational work
, community- based
events,
intersectionality
