

WHAT WE HEARD

Do your staff experience discrimination on grounds of race, gender and religion?

- We heard that your staff do experience discrimination on the grounds of race gender and religion.
- We heard that you have processes in place to support your staff, and you have cultural awareness training/ fun days.
- We heard that you empower staffs to raise concern.

WHAT YOU SAID YOU NEED FROM US

How can ASC assist your organization with this?

- To be supported with advice.
- To have the opportunity to share experiences.
- To be kept up to date with changes and new development not included here.
